

Service Selections

A guide of our service packages, merchandise and memorial items

CarlisleBranson.com

About Our Guide

The selection of service packages, merchandise and memorial items is a personal choice. Your choices should reflect the loved one you have lost while considering your personal budget needs. We have created this guide to help you select a customized funeral that will provide a special memorial for your loved one.

Please ask if you have any questions or concerns about our services or this guide. We are here to serve you in your time of need

Funeral Payment Options

Because we have an obligation to the community to see that our business continues to operate in a ficscally responsible manner, and to ensure that our prices remain reasonable and affordable, we offer the following payment options.

Unless the funeral bill is being paid with an existing prepaid trust or a verifiable insurance assignment, payment is expected prior to services being rendered.

Prepaid Funeral Trust or Insurance Trust: If the services have been prepaid either at Carlisle-Branson Funeral Service & Crematory or at another funeral establishment, no payment is expected. If additional items are requested at the time services are rendered, a 30-day grace period is extended.

Insurance Assignment: Our staff is happy to assist you with any life insurance claims that need to be made. Oftentimes, the insurance company will honor an assignment, whereby the funeral bill is paid out of insurance funds. We use a third party funding company that charges a 4% processing fee based on the total of the contract.

Cash or Check: Cash, personal checks or cashier checks are acceptable forms of payment. There will be a \$25.00 charge for any returned checks.

Credit Card Payment: We accept Master Card, Visa, Discover and American Express as acceptable forms of payment.

Third Party Financing: We will be happy to refer various third party finance companies to assist with a funeral bill. Because we are not regulated like the banking industry, we cannot establish credit terms and arrange for payment plans.

General Price List

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. These prices are effective as of February 10, 2025, but thereafter are subject to change without notice.

Our fee for the basic services of the funeral director and staff includes, but is not limited to: staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notices; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving of remains.)

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Other Preparation of the Body

Casketing, Dressing and Cosmetiz	zing:	

Visitation at the Funeral Chapel: Our services will include visitation set up, use of visitation room, placement of encased remains, display of floral arrangements, supervision and attendance during visitation.

One Day Visitation: \$500 or Up to Two hours Visitation Prior to Service (Same Day): \$500

Visitation at Another Facility: Our services will include local transportation of encased remains, visitation set up, placement of encased remains, display of floral arrangements, supervision and attendance during visitation.

Cremation

The Branson Cremation Standards of Excellence

Your Loved One Never Leaves Our Care

Many other funeral homes hire third-party crematories, typically located in a warehouse district. These funeral homes transfer your loved one to outside cremation services, making it impossible for the funeral home to manage and supervise the cremation.

We have our own crematory, so all your services are handled and managed by our licensed staff and your loved one never leaves our care.

Safeguarding Personal Identity

To ensure security, a personal identification band is placed on your loved one at the moment your loved one is transferred to our care.

Tracking System

Your loved one is registered into our tracking system and assigned an identification number which is stamped into a stainless steel identification tag. This number is used to track every phase of the cremation process.

Personal belongings are cataloged and placed in a secure area for their return to the family.

Saying Good Bye

We will dress your loved one in the clothes provided by the family or in a gown we provide. Then we will privately provide an opportunity to view your loved one prior to cremation.

Cremation Assurance Process

Checks and Balances

Our licensed crematory operator will review all cremation paperwork. This is to ensure authorizations have been received and have been properly documented. Our crematory registry is dated and initialed by the certified operator before and after the cremation. The stainless steel identification tags are placed on the outside of the cremation chamber during the cremation process.

Once all documentation is verified, our licensed operator will proceed with the cremation.

After The Cremation

After the cremation is complete, the cremated remains are placed in the urn selected with the stainless steel identification tag.

Honoring Your Loved One

We always treat families like our own. We will assist you in planning a meaningful ceremony either before or after the cremation, which will provide an opportunity for family and friends to pay tribute to your loved one and to share the memories of a lifetime.

Receiving Cremated Remains. Final Disposition. Memorialization

Our Licensed Staff are specially trained to assist you with memorialization options and an appropriate placement for family, friends, and future generations to pay their respects. If no memorialization has been selected, our staff will schedule a time for receipt of the cremated remains and provide a dignified setting, in which to receive the urn, where you may spend a few moments, privately, in quiet reflection.

Disclaimer of Warranties: In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Vaults are designed to resist the entrance of outside elements such as water, air, dirt or other elements.

About Carlisle-Branson Funeral Service & Crematory

Carlisle-Branson Funeral Service & Crematory has served the surrounding communities since 1895. Frank Carlisle began in funeral service by purchasing an interest in the J.H. Rusie Furniture and Undertaking business.

In 1895, with partner Daniel Gilbert, Frank purchased a storefront in downtown Mooresville. After one year, he purchased Gilbert's interest and began conducting business under his own name.

Chris and Mary Beth Branson

Frank's son, Milford Carlisle, joined the business in 1929 shortly after his father's death. In 1949, the funeral home moved to its present location of 39 East High Street. In 1952, after his service in the Marine Corps during the Korean War, Milford's son, George Carlisle, joined the firm. George's son, Samuel Carlisle, joined the firm in 1988 after graduation from Ball State University and Mid America College of Mortuary Science.

Sam owned Carlisle & Son Funeral Chapel until 2007, when he sold the business to Chris and Mary Beth Branson. In 2010, the Bransons added an on-site crematory to better serve families close to home. In 2011, the Carlisle and Branson names merged to create Carlisle-Branson Funeral Service & Crematory.

Chris and Mary Beth find pride and privilege in providing personalized care to the families they serve. The Bransons are honored to be a part of the Mooresville community, and actively participate with organizations such as the Mooresville Senior Center, Mooresville Kiwanis Club, Mooresville Lions Club, Mooresville Masonic Lodge #78, St. Thomas More Knights of Columbus, St. Thomas More Catholic Church, United Way of Morgan County and the Morgan County Coalition for Literacy.
